Bensalem Business Association Welcomes the Bensalem Historical Society

The Historical Society of Bensalem Township was founded and incorporated in 1977. One of the first objectives of the Society was to publish a written history which was accomplished with the 1984 release of the book "Traveling Through Bensalem 1692-1984." A follow-up second book, "Bensalem II," was a pictorial edition which was released in 2000. Our third book, "The Journey Continues," is a companion to the first book. The latest book expands upon historical events going back as far as Bensalem's founding with newly discovered information and includes coverage of the more recent past from 1984 to the present.

The Historical Society of Bensalem has acquired many interesting and valuable items including old cemetery records, a variety of ancient maps, more than 50 land deeds, local genealogies, photographs and slides of local people and places, Bensalem High School yearbooks, dinnerware from the Trappe Hotel, various books and ledgers, Growden Mansion history, and an extensive postcard collection. We are always looking for photographs and other Bensalem-related artifacts and memories to add to our collections; please contact us if you have items to share or donate.

The Society has acquired 26 wedding gowns, dating from 1910 - 2004, which are part of a program that we can put on for area clubs, schools, and organizations upon request. In addition, we have created several unique multimedia programs which are available for presentation.

Find out how you can get involved with preserving the wonderful history of Bensalem by joining the Historical Society. Membership is open to everyone. Annual membership is \$15 for Individuals, \$20 for Family, and \$75 for Businesses.
