Bensalem Business Association

Welcomes our Membership to an Open Forum
With Your Board Members

This meeting's purpose is to hear from our members. Ask questions; give your suggestions...your criticisms too, if you like. Active participation in this meeting is a good way for each member to make a difference by helping to formulate what we do or try to do this year.

The Bensalem Business Association wants our members to get involved in THEIR Association. We really want to hear what you have to say...whether it's positive or negative.

The purpose of this organization is to help local businesses network with each other for the purpose of helping their business grow. In addition, we're privileged to have special guest speakers from within the township, as well as local government representatives, who help to educate us with what's going on in our community and world.

Help Us...Help You!
